

Signs Of Home: FMCHS Landmark Step

The McGivney dream is one BIG step closer to reality. The location of Father McGivney Catholic High School is now framed by two new sign markers at the school site at Bouse and Old Troy Roads in Glen Carbon.

Although groundbreaking won't take place for at least a few months, you might notice some preliminary land work being done on the school property.

If you've driven past the McGivney Business Office at 1043 Century Drive in Edwardsville, you'll notice new signage there as well. Things are moving fast, so be sure to visit McGivneyGriffins.com often to stay up-to-date.

Two signs on the McGivney site along Old Troy Rd. announce the 2011 opening of FMCHS. Thanks to Mid America Outdoor for donating the signage and installation!

FMCHS Golf Tournament

Save the date! The Knights of Columbus Golf Tournament to benefit Father McGivney Catholic High School has been scheduled for **Saturday, May 8, 2010 at Arlington Greens**. This is the tournament that was postponed last Fall due to inclement weather. The good news is... we have the opportunity to get more sponsors, more players, and a much better chance for beautiful weather! If you haven't registered your team yet, download a registration form at McGivneyGriffins.com and mark your calendar for a day of fun on the links!
